## TOMBLC Game Sheet Procedure

- 1) Game Finished – Complete Game Sheet (Only blue or black pens should be used to ensure readability). Referees distribute pink (winner) and gold (losing team) to coaches or their team manager.
- 2) Coach or Manager of the **HOME** team will take an image using **CamScanner** Application from their phone (with highest resolution possible) of the White Copy of the score sheet. Image must be readable when enlarged and ensure all information including Game # and Penalties are shown. **CamScanner** software is available for free on iPhones and Android devices. (Should be saved in a **PDF** format)
- 3) Coach or Manager of the **HOME** team will **EMAIL** digital scan of game sheet within 24 hours to:  
[gamesheets@tomblc.com](mailto:gamesheets@tomblc.com) and Division Commissioner (TOMBLC commission has the discretion to deduct 2 points for teams who do not email electronic game sheets with 24 hours of completion of game). File or subject of email naming convention:  
**[Game #]\_[Home vs Away]\_[Date]**, i.e. **BND-028\_ NicolaValley2 vs Kamloops3\_May25**
- 4) Electronic game sheets will be sorted renamed (w/ game #'s), and saved to TOMBLC Division Dropbox.

White Paper copies must be physically mailed to Commissioners no less frequently than **once per week** and received by the Division Commissioner within 10 days (*Article A -2 TOMBLC Operating Policy*). This procedure offers improved real-time tracking necessary for Commissioners to perform their duties.

All call-ups **MUST** have the appropriate one game permit paperwork and player(s) must be **CLEARLY** marked on the scoresheet with the designation 'Call-up' or 'AP' beside their name. Coaches may also photograph call up forms and digitally submit call-up information to [gamesheets@tomblc.com](mailto:gamesheets@tomblc.com) and Division Commissioner (other forms of documentation will not be accepted).

Please ensure that all information is recorded correctly through to duplicate copies (e.g., stickers and line edits to rosters must be carried through consistently to all pages).

**NOTE: Where any game sheet has a match penalty recorded on it, the appropriate Commissioner must be phoned within 24 hours.**
